Vines	27-28
Water Plants	15

Davidson Greenhouse carries a variety of bulk and bagged mulch in several colors, as well as driveway gravel, landscape rock, boulders and sand. From April through October, we carry shrubs and trees to make your landscape look it's best. If we don't have what you want in stock, talk to one of our employees about special ordering a tree or shrub.

Our construction services include landscaping, concrete work, hardscapes (outdoor kitchens, paver patios, etc.), waterscapes, and home remodeling projects. If you have an idea, our design expert Jill and our experienced, professional crew can make it a reality.

## **Hanging Baskets**

<b>Yellow Ribbon</b> (6-8" hanging basket)	<b>Blue Ribbon</b> (10" hanging basket)	<b>Red Ribbon</b> (10" hanging basket)	<b>White Ribbon</b> (12" hanging basket)

# Houseplants/ Succulents /Cactus

2" \$3.50, 4" \$5.99, 6" \$12.99

 Pet Friendly Plants

\*More plants will be added next winter as we have thousands of plants!

Common Name	Science Name	Description	How to Grow
Flowering Maple Varigated	Abutilon	Summer blooms on attractive varigated foliage. Ideal for indoor or outdoor containers	Plant in sun 18" (46 cm) apart. Grows 36-48" (91-122 cm) tall
Black Pagoda Lipstick 	Aeschynanthus Longicawlis	Has shiny, mottled leaves with purple undersides	Medium to bright indirect light. Well-draining, chunky soil. Water when completely dry.
Lipstick Plant 	Aeschynanthus Radicans	Has long, red, tubular flowers in dense terminal clusters. Its leaves are dark green, elliptical, fleshy and smooth-edged.	Medium to bright indirect light. Well-draining, chunky soil. Water when completely dry.
Joseph's Coat	Alternanthera	Multi colored foliage	Bright direct light, moist soil.
Flamingo Flower	Anthurium	Shiny green leaves, red heart shaped bloom. Good at absorbing harmful chemicals	Med-Bright indirect light. Keep moist.
Variegated Schefflera	Brassaia Arboricola Veriegata	Features long, shiny, oval green leaves that droop gracefully from a central stalk, resembling an umbrella.	Medium light. Very moist soil. Aver. Moderate home temp 55-70°F (13-21°C)
Variety varies 	Calathea	Showy, decorative leaves. Some species have significant flowers.	Medium light. Moderately moist soil. Warm home temp 70-75°F (21-24°C)
Night Blooming Jasmine	Cestrum Nocturnum	Glossy green leaves and tiny white flowers	Bright light, moderately moist soil
Variegated Spider Plant 	Chlorophytum	Fast-growing, easy-care houseplants. The long, narrow leaves are variegated white and green	Medium light 60-75°F Allow soil to dry between watering.
Bonnie Airplane (Spider Plant) 	Chlorophytum Comosum	Swirls of curled foliage, perfect for hanging baskets. Great in the garden too.	Medium light. Moderately moist soil. Avg. moderate home temp 55-70°F (13-21°C)
Croton	Codiaeum Variegatum	Thick, oval, pointed leaves are splashed with many colours, including red, pink, burgundy, orange, yellow and green. In summer, small white or yellow star-shaped flowers may appear.	Bright direct light, moist soil.
Mexican Heather	Cuphea hyssopifolia	Hardy, drought-tolerant shrub that grows bright green foliage and small white, lavender or purple flowers that attract hummingbirds and other pollinators.	Sunny or Part sun with well-drained soil. Water when top is dry.
Umbrella Plant 	Cyperus Alternifolius	Glasslike leaves on tips of tall stalks give plant an umbrella appearance.	Medium light. Very moist soil. Aver. Moderate home temp 55-70°F (13-21°C)

Trailing Carnation	Dianthus Caryophyllus	Deep red trailing carnation	Fragrant, lots of water required when hot
Dumb Cane	Dieffenbachia	Has large decorative leaves are variegated with cream, white or yellow markings	Medium light. Moderately dry soil. Aver. Warm home temp 62-80°F (16-27°C)
Pothos, Golden 	Epipremnum	Attractive large leaves. Easy to grow. Excellent in hanging baskets.	Low light. Moderately moist soil, warm home temp 62-80°F (16-27°C)
Pothos 'N' Joy	Epipremnum Aureum 'N' Joy	Variegated leaves and vining growth	Bright indirect light. Let dry between watering
Variegated Ficus Benjamina	Ficus Benjamina 'Variegata'	Green and cream-colored leaves	Moderate light, well drained soil
Rubber Plant	Ficus Elastica	Has glossy, leathery, large leaves. The leaves are oblong to oval, 8 to 12 inches long and in various colors of dark green, deep maroon or marked with yellow, cream, pink or white.	Indirect bright light, dry soil.
Fiddle Leaf Fig	Ficus Lyrata	Large fiddle shaped leaves	Bright indirect light., moist soil.
Golden Gate Ficus	Ficus Microcarpa 'Golden Gate'	Shiny dark green leaves. Commonly used in bonsai	Bright indirect light, likes high humidity
Creeping Fig	Ficus Pumila	This small-leaved creeper can grow up supports with its clinging roots.	Medium Light. Moderately moist soil. Aver. Warm home temp 62-80°F (16-27°C)
String of Frogs	Ficus Pumila 'Quercifolia'	Oak shaped leaves that resemble tiny frogs	low light, .5-1" tall, moist soil
Variegated Creeping Fig	Ficus Pumila 'Variegata'	Heart-shaped, thumbnail-sized leaves with broad white margins on a creeping to climbing tropical vine with wiry stems.	Filtered light, evenly moist soil
Bridal Veil	Gibasis Geniculata	Tiny olive leaves and white flowers. More profuse in higher light.	Medium light. Moderate home temp 55-70°F (13-21°C)
Purple Passion 	Gynura Sarmetosa	Creeping habit makes this plant good for hanging baskets	Bright light. Moderately moist soil. Warm home temp 70-75°F (21-24°C)
Marengo (Gloire De Marengo)	Hedera Canariensis	Attractive variegated foliage. Excellent for hanging baskets or as a topiary	Bright light. Moderately moist soil. Average home temp 60-70°F (16-21°C)
Gold Dust Ivy	Hedera Helix	small-leaved, with dark green leaves deeply marbled and speckled in gold.	Bright-Full sun. Keep evenly moist but not constantly wet. Likes daily misting and fresh air.
Needlepoint Ivy	Hedera Helix	Very versatile vine featuring dark green leaves with showy white veins.	Sun/Shade. Moist, fertile soil. Cut back each spring.
Variegated Ivy	Hedera	White-variegated green leaves	Bright-Full sun. Likes daily misting and fresh air. Allow soil to moderately dry out between watering.
English Ivy	Hedera Helix	Fast-growing ivy with distinctive leaves.	Bright light. Moderately moist soil. Cool/mod. Home temp 60-70°F (15-21°C)

Manda Crested Ivy	Hedera Helix 'Manda Crested'	Dark green leaves and wavy edges	Low light. Evenly moist soil.
Baby's Tears 	Helxine Soleirolia	This longtime favorite plant features fast-growing, dense, tiny leaves	Medium light. Moderately moist soil. Avg. warm home temp 62-80°F (17-27°C)
Waffle Plant 	Hemigraphis Alternata (H. Colorata)	Silvery-purple leaves with red undersides. Low-growing	Low light. Moderately moist soil, warm home temp 70-75°F (21-24°C)
Polka Dot Plant 	Hypoestes	Rose-splashed leaves on well-branched plants. Use in borders, containers.	Plant in sun or part sun 8" (20 cm) apart. Grows 8-10" (20-25 cm) tall
Red Chicken Gizzard 	Iresine	Bright foliage ideal for gardens, and patio or window containers. Heat tolerant	Plant in part sun or shade 18-24" (46-61 cm) apart. Grows to 20" (51 cm) tall
Yellow Chicken Gizzard 	Iresine	Striking foliage ideal for gardens, patio or window containers. Heat tolerant	Plant in part sun or shade 18-24" (46-61 cm) apart. Grows to 20" (51 cm) tall
Jasmine White 	Jasminum Polyanthum	Wonderful in baskets, pots or anywhere the lovely fragrance can be enjoyed. Grown to 20' tall	Plant in sun or part sun 4-6' apart. Grows to 20' tall
Jasmine Arabian 	Jasminum Sambac	Fragrant flowers in large clusters. Good vine for containers, indoors or out	Full sun outdoors or indoors in bright light. Mod-cool home temp in winter
Shrimp Plant	Justica Brandegeana 'Variegata'	Drooping, rusty-red flower spikes, evergreen leaves	Bright light. Moderately dry soil. Mod/home temp 65-75-0°F (18-21°C)
Variegated Shrimp Plant	Justica Brandegeana 'Variegata'	Upright to arced spikes composed of large showy maroon bracts from which the separate maroonish-red and white tube-shaped flowers arise in spring and summer.	Bright light. Moderately moist
White Brazilian Plume	Justicia Carnea White	Large fountain-like trail of bright, solid white long, slim petals arise from the terminal ends of the branches and curving outwards.	Medium Light
Blue Star Creeper	Laurentia (Isotoma)	PERENNIAL Mosslike plant has light blue flowers. Use for ground cover.	Plant in full sun 12" (30 cm) apart. Grow to 6" (15 cm) tall.
Blue Baby Tears 	Lindneria Grandiflora	Small light green leaves w/ purple & white flowers	Sun or shade, water frequently
Candy Corn 	Manettia	Graceful, twining vine for planters, trellis or topiaries. Attracts butterflies	Plant in part sun. grows 6-12' (1.8-3.7 m) tall. Frost tender
Prayer Plant 	Maranta Leuconeura	Has variegated ovate leaves with entire margins that fold at night to resemble praying hands. The undersides of the leaves are gray-green to purple-green.	Bright but indirect light, moist soil.

Swiss Cheese Plant	Monstera Adansonii	Refined form of the dramatic split-leaf philodendron. Will trail or climb.	Medium Light. Moderately moist soil. Aver. warm home temp 65-80°F (18-27°C)
Goldfish Plant 	Nematanthus	Unique, long-lasting flowers add a bright touch of color to any room	Bright indirect light. Moderately moist soil. Warm home temp. 65-75°F (18-24°C)
Golden Shrimp Plant	Pachystachys Lutea	Striking flowers against deep green leaves. Trim to keep plants bushy and full	Bright Light. Moderately moist soil. Mod/warm home temp. 65-75°F (18-24°C)
Luna Red Peperomia 	Peperomia Caperata	Has rounded, heart-shaped leaves and unusual texture. The leaves are purple-red in color, measuring around 3-4cm long, with prominent, sunken veins.	Bright diffused light, let dry between watering
Ripple Peperomia 	Peperomia Caperata	Its leaves can be textured or smooth in red, green, gray, or purple; variegated, marbled, or solid; large, heart-shaped, or tiny.	Medium to bright light. Dry between watering.
Watermelon Peperomia 	Peperomia Caperata	Leaves resemble the rind of a watermelon.	Bright diffused light, let dry between watering
Ginny Peperomia 	Peperomia Clusiifolia	Has variegated leaves that are outline with a splash of cream and pinks.	Medium Light. Moderately dry soil. Aver. Warm home temp 62-80°F (16-27°C)
Marble Peperomia 	Peperomia Obtusifolia 'Marble'	Foliage is dark green and decorated with white or creamy yellow markings which look like marbling	Medium to bright light. Dry between watering.
Cupid Peperomia 	Peperomia Scandens	Has heart shaped leaves and is the variegated form of Peperomia scandens 'Green'.	5 hours of indirect sunlight, daily, and water the soil when it becomes dry
Felted Peperomia 	Peperomia Incana	Silvery green houseplant with heart-shaped leaves that is covered in white hairs creating a soft, fuzzy texture.	Bright diffused light, evenly moist
Philodendron Vine	Philodendron	Easy-care plants with large, glossy leaves in many forms. Use in containers.	Medium light. Moderately moist soil. Aver. warm home temp 62-80°F (16-27°C)
Aluminum Plant 	Pilea Cadieriei	Fast-growing plant with green leaves quilted in silver	Medium Light. Moderately moist soil. Aver. Warm home temp 62-80°F (16-27°C)
Creeping Jenny 	Pilea Depressa	This freely branching tiny-leaved creeper roots wherever a node touches the ground. Great in hanging baskets or dish gardens.	Prefers medium light. Moderately moist soil. Moderate to warm home temperature 62-80°F (17-27°C) Generally hard to 56°F (13°C)
Artillery Fern 	Pilea Microphylla	Very tiny leaves cover multi-branched stems. Pollen "Shoots" when ripe	Moderately moist soil. Avg. warm house temp 62-80°F (17-27°C)
Creeping Charlie 	Pilea Nummularifolia	Green leaves on trailing stems	Medium Light. Moderately moist soil. Aver. Warm home temp 62-80°F (16-27°C)

Chinese Money Plant 	Pilea Peperomioides	Flat, round leaves. Shiny, leathery, thick, dark green pancakes	Medium Light. Moderately moist soil. Aver. Warm home temp 62-80°F (16-27°C)
Upright Artillery 	Pilea Serpyllacea	Filtered Light, Keep moist but not soggy	Bright/filters light inside, Shade/Part Shade outside, well drained soil but moist, 70-75°F
Friendship Plant 	Pilea Spruceana	Dark green leaves with dark bronze undertones and often light green edges	Filtered light. Keep moist but not soggy
Swedish Ivy 	Plectranthus Australis	Fast-growing vine with round, scalloped leaves.	Medium light. Moderately moist soil. Aver. home temp 50-80°F (13-27°C)
Variegated Swedish Ivy 	Plectranthus Australis 'Variegatus'	Excellent hanging plant with attractively marked leaves. Roots easily in water.	Medium light. Moderately moist soil. Aver. home temp 55-80°F (13-27°C)
Giant Iboza	Plectranthus Coleoides "Marginatus" tomentosus	Upright plant with square brown stems and round, scalloped leaves	
Tricolor Iboza	Plectranthus Coleoides "Tricolor"	Shrub like, velvety leaves and showy white flowers	
Trailing Iboza	Plectranthus Madagascariensis	Musk-scented leaves and creamy-white winter blossom	Medium light
Purple Leaved Swedish Ivy 	Plectranthus Purpuratus	Fast-growing plant has dark green leaves with purplish underside	Indirect light, moderately moist soil. Warm home temp 70-75°F (21-24°C)
Moses-In-The-Cradle	Rhoeo Spathacea	Sword-shaped leaves from a boat shape around abby white flowers	Medium light. Moderately moist soil. Average home temperature 55-70°F (13-21°C)
Irish Moss 	Sagina Subulata	Lush green foliage forms a dense, mosslike carpet. Ideal for planting between paving stones, on rock walls, at garden's or water's edge, or as a small-scale ground cover.	Performs best in light, moist, well-drained soil.
Strawberry Begonia	Saxifraga Stolonifera	Small star-shaped flowers in late summer. Has runners with small plants like strawberry plants.	Medium Light. Allow soil to dry slightly then water. Feed every 3 months.
Variegated Wax Ivy	Senecio Macroglossus 'Variegatum'	Fast-growing vine has waxy leaves edged in cream	Indirect light. Moderately moist soil. Warm home temp 70-75°F (21-24°C)
Purple Heart	Setcreasea	Trailing vine has great foliage color for contrast or accent in gardens or pots.	Plant in sun or part sun 16" (41 cm) apart. Grows 8" (20cm) tall
Violet Nodding Bells	Streptocarpella	Daily blooms on trailing plants add interest to indoor or outdoor containers	plant in indirect light indoors, shaded areas outdoors. Moderately moist soil
Persian Shield 	Strobilanthes Dyerianus	TENDER PERENNIAL Stunning foliage accent for the garden or containers. May be wintered indoors.	Plant in full or part sun, 3' (.9 m) apart. Grows 3-4' (.91-1.2 m) tall

Arrowhead Plant	Syngonium	Grown for its interesting leaves and semi-upright to trailing habit	Medium Light. Moderately moist soil. Aver. Warm home temp 62-80°F (16-27°C)
Piggy Back Plant (Mother of Thousands)	Tolmiea Menziesii	Fuzzy light green leaves that form new plants at the base of the mature leaves	Med-Bright indirect light. Evenly moist soil.
Pink Lady 	Tradescantia Callisia Repens	Plants range from green striped colors to pigments of pink and cream	Bright filtered light. Moderate watering
Purple Wondering Jew	Zebrina Pendula	Trailing plant has green-purple striped foliage with silver band.	Prefers medium light. Moderately moist soil. Aver. warm home temp 62-80°F (16-27°C)
Tricolor Wandering Jew	Zebrina Pendula 'Tricolor'	Rapid trailing stems with attractively marked leaves.	Mild liquid fertilizer. Keep soil moist but not wet.

## **Annuals in Packs**

<b>Name</b>	<b>Description</b>	<b>Varieties/Colors</b>
<b>Ageratum</b>		
Aloha Blue	Superb garden performance 6-8"	Blue
<b>Alyssum</b>		
Clear Crystal Purple Shades	Large Flowers, 6-10" tall	Purple
Clear Crystal White	Large Flowers, 6-10" tall	White
Wonderland White	Compact, uniform growth habit	White
<b>Begonia</b>		
Super Olympia Series	Compact, well-branched plants with green foliage, 6-8", Sun/part shade	Mix, Rose, Red, White
Cocktail Series	Compact, well-branched plants with bronze foliage, 7-9", Sun/part shade	Gin, Vodka, Whiskey
<b>Celosia</b>		
Cockscomb Type		
Tall Red	Great cut or dried 24-36"	Red
Prestige Scarlet	Unique spreading habit. 18-20"	Bronze leaf, bright Scarlet bloom
Plume Type		
Castle Mix	Well branched, 12-16" tall	Mix
Fresh Look Red	Rich green foliage covered with feathery flowers. 12-14"	Cherry Red
Fresh Look Gold	Rich green foliage covered with feathery flowers. 12-14"	Deep Golden Yellow
New Look	Bronze foliage 12-14"	Deep Red
Smart Look Red	Dark bronze foliage, very well branched 15"	Neon Red
<b>Cleome</b>		
Queen Series	3-4' Heat tolerant, bold landscape plant	Cherry & Purple
<b>Coleus</b>		
Fairway Mix	Medium-Large colorful foliage, 10-12" tall. Shade	Mixed
<b>Cosmos</b>		
Sonata Mix	22-24" free flowering, single 4" daisy-like blooms	Mix (Lilac, Red shades, Pink, & White)

<b>Dahlia</b>		
Harlequin Mix	Semi-double, 12-14" Bi-colored Mix	Rose, Violet, Yellow, Orange, Scarlet, White
<b>Dianthus</b>		
Super Parfait Raspberry	8-10" tall, large flowers	Raspberry blush with deep crimson eye
Super Parfait Strawberry	8-10" tall, large flowers	Blush pink with rich scarlet eye
Telstar Mix	8-10" often Perennial, continuous bloomer	Mix of Solid and Picotee Flowers
<b>Dusty Miller</b>		
Silver Dust	Most Popular 10-12" Broad Leaves	Small Yellow Blooms
<b>Flowering Cabbage</b>		
Osaka Mix	Wavy-edged leaves on compact heads 8-10"	Mix (Pink, Red, White)
<b>Flowering Kale</b>		
Nagoya Mix	Heavily fringed leaves on a uniform plant. 4-6"	Mix (Red, Rose, & White)
<b>Gazania</b>		
Big Kiss Yellow Flame	Extra-large blooms 8-10" tall	Yellow/Red
Big Kiss Mix	Extra-large blooms on compact plants, 8-10", Sun	Mixed
Gomphrena		
Buddy Series	Ball shaped, low maintenance, 10-12" tall	Purple, Rose, White
<b>Helichrysum</b>		
Bright Bikini Mix	Dwarf strawflower with brightly colored blend of 2" double flowers, 12", Sun	Mix
<b>Hypoestes</b>		
Splash series	Polka-dot foliage 8-10" tall	Pink, Rose, Red, White
<b>Impatiens</b>		
Imara XDR Mix	Downy mildew resistance 10-12" tall	Mix
Xtreme Series	Compact habit with high quality flowers, 8-10"	Lavender, Mix, Red, Bright Rose Salmon, Violet, White
<b>Lisianthus</b>		
ABC Series	36"-45" double flowers	Blue Rim, White
Echo Series	Strong stems, dbl. flowers 36-48" tall	Pink picotee
<b>Lobelia</b>		
Riviera Series	Early flowering, bushy plant habit	Assorted varieties
<b>Marigold</b>		
African (Tall)		
Cracker Jack Mix	Heirloom variety, 3-4" flowers, 36" tall.	Mix
Inca II Series	Fully double blooms on compact plants. 12-14" tall	Yellow, Orange
Dwarf		
Bonanza Bee	French Crested variety, 10-12"	Mahogany with Yellow edge
Bonanza Harmony	French Crested variety, 10-12"	Red / Orange
Bonanza Yellow	French Crested variety, 3" flowers, 10-12" tall	Yellow
Durango Bee	French anemone type, large flowers, 12" tall	Mahogany/ Yellow
Durango Outback Mix	Large Flowers- French anemone type 8-15" tall	Mix of Solid Colors and Bi colors
Durango Yellow	French anemone type, large flowers, 12" tall	Primrose Yellow
Safari Bolero	French Anemone type, 2-2 ½" blooms 10" tall	Yellow with Red splashes
Safari Yellow	Early flowering, large dbl. bloom, 8-10" tall	Yellow
Safari Yellow Fire	2 ½" blooms French Anemone type, 8-10" tall	Yellow/Red
<b>Nicotiana</b>		
Perfume Series	Highly scented blooms 20" tall	Red
<b>Pansy</b>		
Colossus Blotched Mix	Compact plant with large 3.5-4" blooms, 4-5" tall	Mix
Delta Premium	Early bloom heat tolerant. 3- 3 ½" blooms 4-5" tall	Mix

<b>Blotched Mix</b>		
Delta Premium Neon Violet	Early bloom heat tolerant. 3-3 ½ "blooms 4-5" tall	Deep Violet w/ Neon Blue Face
Delta Premium Yellow w/ Blotch	Early bloom heat tolerant. 3 – 3 ½" blooms 4-5" tall	Bright Yellow with Dark Blotch
Delta White w/ Blotch	Early bloom, heat tolerant, 3 –3 ½" blooms 4-5" tall	White w/ Dark Purple Blotch
<b>Petunia</b>		
Assorted Varieties	Varies from week to week, check back with us or request a specific color or variety	Assorted Varieties
<b>Portulaca</b>		
Sundial Series	Large double flowers stay open longer than other varieties. 4-5" tall	Mix
<b>Salvia</b>		
Mojave Series	Heat-tolerant plants with deep green foliage, 10-12", Sun	Red
Victoria Blue	Drought and heat-resistant 16-18"	Deep Blue
Vista Series	Well-branched with deep green foliage, 10-12", Sun	Assorted Colors
<b>Snapdragon</b>		
Rocket Mix	Long flower spikes, vigorous growth, heat resistant. 30"-40"	Mix of Bronze, Cherry, Gold, Lemon, and Orchid
Snapshot Series	Bushy, low-growing with full flower spikes, 6-10", Sun	Assorted Colors
Snaptastic Mix	Strong stems with good lateral branching, 14-16", Sun	Mix
<b>Verbena</b>		
Obsession	Continuous blooms, compact and branching habit 6-8" tall	Assorted Colors
<b>Vinca</b>		
Assorted Varieties	Heat loving, sun loving, and drought tolerant, 10-14".	Assorted Colors
<b>Viola</b>		
Penny Denim Jump-Up	Early flowering compact plants 5-7"	Deep Blue wings with Light Blue face
Sorbet Mix X P	Excellent garden performance, good temperature tolerance, compact growth habit. 5-7"	Mix
<b>Zinnia</b>		
Dreamland	3 ¼" flowers on compact 9-12" plants	Mix
Profusion Series	Hybrid variety with good disease resistance and vigor. 8-10"	Double Mix
State Fair Mix	Tall Variety, giant blooms, up to 6" in diameter. Up to 3' height	Mix
Zinnita Mix	Open pollinated variety. Extra Dwarf, vigorous growth. 6-8"	Mix

<u>Herbs That Attract Butterflies</u>	<u>Cooking with Herbs</u>
Catmint Dill Lavender Mint   Oregano Parsley Sweet Marjoram	<p>If you're cutting back on your dietary salt, try using herbs as flavorings. Add most herbs about thirty minutes before the end of cooking time. Simmer them slowly with the food to release the flavor and retain the volatile oils.</p> <ul style="list-style-type: none"> <li>• Dried herbs are more potent than fresh – one teaspoon dried equals one tablespoon fresh.</li> <li>• Experiment with herbs! Try them in old recipes, taste new ones, combine herbs.</li> <li>• Use moderation. Some herbs may be overpowering if too much is used. Familiarize yourself with the strongly flavored ones – sage, rosemary, thyme, and oregano.</li> </ul>

**Did you know?** Dill is an important host plant for caterpillars of swallowtail butterflies. It's also a must for pickling.

**Argyranthemum** – Golden Butterfly, White Butterfly

**Bacopa** (Sutera)- Bahia White Sand

**Begonia** – Asst. Reiger, Big Red Green Leaf, Big Rose Green Leaf, Rex, Tuberous, Dragonwing,

**Caladium** - Assorted

**Calibrachoa** (Million Bells) –

**Superbells**- Blue, Black Currant Punch, Cherry Red, Coralina, Coral Sun, Double Orange, Double Twilight, Dreamsicle, Holy Moly, Lemon Slice, Miss Lilac, Over Easy, Pink, Prism Pink Lemonade, Rising Star, Tangerine Punch, Tropical Sunrise, Yellow, Yellow Chiffon

**Canna**

Cannova – Orange Shades, Scarlet, Yellow

**Cardinal Climber**

**Centaurea** Fancifillers Chrome Fountain

**Chrysanthemums** – Beverly Bronze, Chelsey Coral, Chelsey White, Cheryl Regal Purple, Dawn, Golden Cheryl, Hailey Red Bronze, Jolly Red, Spicy Cheryl Orange, Wanda Red

**Coleus** - Big Chief, Campfire, Defiance, Duck’s Foot Tricolor, Fishnet Stockings, Freckles, Inky Fingers, Jupiter, Kiwi Fern, Main Street Riverwalk, Mocha Mint, New Orleans, Pineapple, Red Ruffles, Rustic Orange, Special Effects, Sunset, Trailing, Watermelon

**Cuphea** – Hummingbird’s Lunch, Vermillionaire

**Dorotheanthus**- Variegata

**Euphorbia** – Diamond Frost, Diamond Mountain

**Evolulus** Beach Bum Blue

**Geranium** – Assorted Ivy, Scented, and Zonal - Including Citronella (Mosquito Plant)

**Gerbera Daisy** – Assorted Varieties

**Gomphrena** Truffula Pink

**Heliotrope** – Marine

**Impatiens**

Double: Asst Fiesta

New Guinea–Magnum: Blue, Fire, Hot Pink Lavender

Splash, Red Flame, Bright Purple, White, Wild Salmon

**Impatiens**

SunPatians – Compact. Coral Pink, Hot Pink, Red, Purple, Rose Glow, Tropical Rose, White

**Lantana** –

Havana: Pink Sky, Sunshine

Hot-Blooded: Red

Lucious: Berry Blend, Citron, Citrus Blend, Royale Cosmo, Royale Red Zone

**Lobelia** – Bella Mare, Hot Royal Blue

**Morning Glory** – Crimson Rambler, Grandpa Ott, Heavenly Blue, Mini Bar Rose, Moon Flower

**Nasturtium** – Alaska Mix, Jewel Mix

**Osteospermum** – Margarita: Kardinal, Purple, Orange Flare, White, Yellow

Osticade: Vintage Pink

**Pennisetum** - Rubrum, Fireworks

**Petunia** – Amore: Queen of Hearts

Capella: Hello Yellow

Crazytunia: Black Mamba, Knight Rider, Moonstruck

Durabloom: Royal Pink

Easy Wave: Violet

E3 Easy Wave: Blue, Pink, Red, White

Hells: Heat

Potunia: Purple Halo

Supertunia: Black Cherry, Blue Skies, Bordeaux, Picasso in Purple, Priscilla, Rose Veined, Royal Velvet

Supertunia Mini Vista: Violet Star

Supertunia Vista: Bubblegum, Fuchsia, Jazzberry,

Surprise: Sparkle Blue, Sparkle Red

Sweetunia: Johnny Flame

**Portulaca** – Cupcake: Carrot, Cherry Baby, Grape

Jelly, Yellow Chrome, Strawberry Banana

Colorblast: Lemon Twist, Mango Mojito Watermelon Punch

**Scaevola** – Surdiva: Blue Violet, Classic Pink, White

**Sedum** Lemon Coral

**Thunbergia** - (Black-Eyed Susan Vine)-

Susie Yellow with eye

**Torenia** – Summer Wave Bouquet, Deep Blue, Gold, White

**Verbena**

Lanai: Royal Purple w/eye, Twister Pink

Superbena Royale: Cherry burst, Peachy Keen, Romance

Superbena: Red, Violet Ice, Whiteout

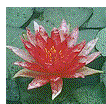

# Annual & Perennial Herbs

Zones Listed, Most of Indiana is Zone 5 - (A): Annual, (P): Perennial, (TP): Tender Perennial (light winters only).  
**Availability will change week to week. If you need an herb we don't have, we may be able to get it for you.**

Name	Description
<b>Basil</b>	
Calendula Bon Bon Mix	Delicate flavor & strong color to salads, omelets, ointments, skin lotions (A)
Genovese	Classic large leaf type, great for pesto (A)
Lime Basil	Wonderful lime-scented version of Lemon Basil (A)
Purple Ruffles	18" Unique purple ruffled highly fragrant leaves. (A)
Sweet Dani	All American Selections Winner, 70-75% more essential oils than common lemon basil. Enhanced culinary value. (A)
Sweet Italian	Leaves used for flavoring tomato dishes. (A)
Thai	Spicy anise-licorice aroma & flavor (A)
<b>Bay Laurel</b>	Use leaves to flavor meat, soups & stews (TP) Zones 8-10
<b>Catnip</b>	Favorite of cat lovers; also promotes good sleep (tea) and is used as a cold/fever remedy. (P) Zones 5-9
<b>Chives</b>	Onion chives, blooms can be used to add color and flavor to salads. (P) Zones 3-9
<b>Cilantro</b> <b>Coriander</b>	Mexican or Chinese Parsley; essential for salsa & Chinese dishes. Use ground seeds to flavor pastries, sausages, curry powder, pickling. (A)
<b>Curry Plant</b>	Curry-scented foliage. Used to enhance fruit flavors in confections and perfumes. (TP) Zones 8-9
<b>Dill Fernleaf</b>	Dwarf, 18" tall; provides extended cutting season; slow to seed. (A)
<b>Eucalyptus</b>	Source of essential oils used in perfumery & medicine. (TP) Zones 9-10
<b>Fennel</b>	
Bronze	Bronze-red lacy foliage used in soups, salads, stews and oily fish. (P) Zones 5-11
Sweet	Produces a bulbous base of anise flavor and crisp texture. (P) Zones 5-10
<b>Feverfew</b>	Used to ease occurrences and severity of migraine headaches. Also, as a relief from arthritis. (P) Zones 5-9
<b>French Tarragon</b>	Used to flavor fish, cheese, eggs, almost any vegetable. Essential in Béarnaise Sauce and Eggs Benedict. (P) Zones 4-7
<b>Horehound</b>	Used for weak stomach, lack of appetite, and persistent bronchitis
<b>Lavender</b>	
<b>Hidcote</b>	Compact silver-grey foliage (P) Zones 4-8
Munstead	Deep lavender color. Use in borders and sachets. (P) Zones 4-9
<b>Lemon Balm</b>	Lemon scented foliage is used in teas, salads, and soups. (P) Zone 5-9
<b>Lemon Leaf</b>	Velvety leaves with fruity lemon scents. Used in desserts and drinks
<b>Lemongrass</b>	Lemon-scented grass used to flavor fish, soups, curries, sauces, and tea (TP) Zones 11+
<b>Lemon Verbena</b>	Strongly aromatic, use as a substitute for lemon. (TP) Zones 8-10
<b>Marjoram Sweet</b>	Strong spicy flavor to sauces, soups, stuffing & stews (TP) Zone 9-11
<b>Menthol Plant</b>	Strong Menthol scent (TP) Zones 11+
<b>Mint</b>	
Candy	Extremely sweet form of peppermint (P) Zones 5-9
Chocolate	Striking 'Peppermint Patty' Scent (P) Zones 4-9
Ginger	Fruity with a hint of ginger (P) Zones 6-9
Kentucky Col. Spearmint	The best cooking mint, great for tea. (P) Zones 5-9
Mojito	Used in Mojito cocktails, mild warm flavor (P) Zones 5-9
Marshmallow	Slight marshmallow scent (P) Zones 6-9
Peppermint	A refreshing alternative to regular coffee and tea. (P) Zones 5-9
Pineapple	Variegated leaves with a pineapple fragrance when young. (TP) Zones 6-9

Name	Description
Cuban	Fleshy small almost round leaves with shallow teeth on the edges. Scent similar to the oreganos. Attractive houseplant. (TP) Zones 11+
Dittany of Crete	Woolly-leaved relative Oregano with similar spicy scent and uses. Excellent for hanging baskets. (TP) 8-11
Greek	True oregano gathered from the mountains of Greece. Excellent flavor. (P) Zones 5-11
<b>Mushroom Plant</b>	Tastes like mushrooms, add to salads, soups & stir fries (TP) Zones 9
<b>Oregano</b>	
Greek	True oregano, excellent flavor, very hardy. (P) Zones 5-11
Italian	Strong spicy flavor similar to sweet marjoram (P) Zones 6-9
Mexican	Used to flavor chili & Mexican dishes (TP) Zones 9-11
<b>Parsley</b>	
Triple Curled	Compact, dark green curled (A)
Plain Italian	Dark green, best type for flavoring. (A)
<b>Patchouli</b>	Definitive perfume of India and the orient. Sandalwood scent (TP) Zones 11+
<b>Rosemary</b>	Evergreen leaves used for seasoning meats; blue flowers. Used throughout the Orient and India in perfumes, inks, and soaps. Reminiscent smell from the "hippie culture" of the late 60's and early 70's. (TP) Zones 8-11
<b>Sage</b>	
Berggarten	Large gray-blue leaves, robust low-growth habit. (P) Zones 5-8
Garden Sage	The most common culinary variety. (P) Zones 5-9
Golden	Similar to garden sage with chartreuse – yellow foliage (TP) Zones 7-9
Pineapple	Leaves, when rubbed, emit a truly pineapple fragrance. (TP) Zones 6-9
Tricolor	Similar to garden sage with white and pink streaks (TP) Zones 6-9
<b>Savory Winter</b>	Strong flavor used in beans, meats, soups and sauces (P) Zones 5-8
<b>Stevia</b>	Sugar substitute, 100x sweeter than sugar, but no calories. Use leaf powder in place of sugar in drinks, deserts, preserves, anywhere you would normally use sugar. (TP) Zones 11+
<b>Thyme</b>	
Broadleaf	From tropical America, unlike other thymes, this has large fleshy leaves. A keynote flavor in Jamaican cuisine. (TP) Zone 11+
Broadleaf Var.	Broadleaf with variegated green/cream foliage. Aromatic. (TP) Zone 11+
English	6" tall. Widely used seasoning and border herb. (P) Zones 4-9
Lemon	Small creeping dark green leaves with excellent lemon flavor. (P) Zones 4-9
<b>Valerian</b>	Roots have excellent sedative action, used for nervous unrest, migraine
<b>Vicks Plant</b>	Plant with scent similar to the popular cold remedy and can serve the same purpose!

## Water Plants

Asst. Marginals (3.5" Pot)

Floaters and Oxygenators (bare root)	
Eichornia crassipes (Water Hyacinth) Ceratophyllum demersum (Hornwort)	Pistia Stratioides (Water Lettuce)
Water Lilies	
Nymphaea Albatross (White Water Lily) Nymphaea Almost Black (Red Water Lily)	Nymphaea Joey Tomocik (Yellow Water Lily) Nymphaea Madame Wilfron Gonnere (Pink Water Lily)
Water Plants (8" Combo Pots)	
3 different plants per pot	

# GROWING PERENNIALS

Annuals bloom often during the growing season, but perennials bloom only once or twice per season. Perennial shapes range from ground hugging and creeping like phlox to very tall like hollyhocks. Perennials can last many years while annuals usually only last one season. Perennials grow and multiply each year but can be kept in check by dividing the plant and replanting the division in another area of your garden.

Most perennials prefer soils that are well drained and high in organic matter. Many varieties that can tolerate poor soil conditions will thrive in richer soil. Trimming dead flowers and damaged parts during the growing season helps to conserve the plant's strength. This can extend the growing season of most perennials.

While perennials are still small, hand-weed or hoe lightly in-between your plants to prevent weeds from becoming established. As your perennials grow and spread, there will be fewer weeds. A mulch of bark, applied to bare soil, and spread in-between plants will also help prevent weed development and will conserve moisture.

After the first killing frost remove all dead foliage to reduce disease and prevent areas where insects can winterize. To protect perennials from the winter, cover your plants with a layer of leaves. Place evergreen branches over the leaves to prevent the leaves from blowing away, and to keep plants dry.

## Perennial flower legend:

Full Sun

Part Shade

Full Shade

Rabbit Resistant

Butterflies love them

Hummingbirds love them

Deer Resistant

Fragrant

**Note:** Perennial availability will change regularly - check back with us often. You can request items not available and we will get them for you if possible.

## Potted Perennials

Botanical Name	Common Name	Height	Bloom Time	Color
<b>Achillea</b>				
Millefolium 'Summer Pastels'	Yarrow	24"	Early-Summer	Mix
'Moonshine'	Yarrow	18-24"	Summer	Bright Sunny Yellow
Ptarmica 'Noblessa'	Yarrow	12-16"	Early Summer – Fall	White
<b>Aegopodium</b>				
Podagraria 'Variegatum'	Snow on the Mountain	8-10"	Early – Mid-Summer	White
<b>Agastache</b>				
Kudos 'Ambrosia'	Anise Hyssop	16-18"	Mid-Summer – Fall	White, Orange, Rose Pink
Kudos 'Coral'	Dwarf Hummingbird Mint	18-20"	Mid-Summer – Mid-Fall	Warm Coral
<b>Ajuga</b>				
reptans 'Burgundy Glow'	Bugleweed	4-6"	Spring	Burgundy/Creamy/Green Foliage with Blue Flowers
<b>Alcea</b>				
rosea 'Indian Spring'	Hollyhock	6'	Mid-Summer	Mix
<b>Alchemilla</b>				

Mollis 'Thriller'	Lady's Mantle	16-24"	Summer	Foliage grey green, bloom yellowish-green
<b>Allium</b> 				
Bubble Bath	Ornamental onion	26-28"	Late Summer – Early Fall	Soft Lavender
'Millenium' 2018 Perennial of the Year	Ornamental onion	15-20"	Summer	Rose Purple
<b>Anchusa</b>				
Capensis "Blue Angel"	Bugloss	12-14"	Early-Late Summer	Rich Gentian Blue
<b>Aquilegia</b> 				
Early Bird 'Mix'	Columbine	9-11"	Late Spring - Early Summer	Mix
<b>Arabis</b>				
Caucasica 'Snowcap'	Rock Cress	4-6"	Early-Late Spring	White
<b>Aralia</b>				
Cordata 'Sun King'	Golden Japanese Spikenard	3'	Mid-Late Summer	White flower/bright yellow chartreuse foliage
<b>Armeria</b> 				
maritima 'Splendens'	Sea Thrift	3-6"	Spring	Rosy Pink
<b>Artemisia</b> 				
schmidtiana 'Silver Mound'	Wormwood	12"	Mid-Summer	Silver/Grey Leaves
<b>Aruncus</b>				
'Chantilly Lace'	Goat's Beard	30-34"	Early - Mid-Summer	Creamy White
<b>Asclepias</b> 				
Incarnata 'Ice Ballet'	Milkweed	42"	Summer	White
tuberosa 2017 Perennial of the Year	Butterfly weed	8-10"	Early – Mid-Summer	Orange
<b>Aster</b>				
Novae-angliae 'Purple Dome'	New England Aster	18"	Late Summer - Mid-Fall	Purple
<b>Astilbe</b> 				
chinensis 'Visions'	False Spirea	18"	Mid-Summer	Light Purple
arendsii 'Fanal'	False Spirea	18"	Early – Mid-Summer	Dark Red
Chinensis 'Visions in White'	False Spirea	18-24"	Mid-Summer	Pure White
<b>Baptisia</b> 				
australis	False Blue Indigo	3-4"	Early Summer	Indigo Blue
<b>Bellis</b>				
'Galaxy Mix'	English Daisy	4-6"	Mid-Spring - Early Summer	Red/Pink/White
<b>Bergenia</b>				
Cordifolia 'Winter Glow'	Pipsqueak	12-16"	Early Spring – Early Summer	Bright Pinkish Red
<b>Brunnera</b>				
macrophylla 'Jack Frost'	Heartleaf Brunnera	12-15"	Spring	Baby Blue
<b>Buddleia</b> 				
Humdinger Magenta Munchkin	Butterfly Bush	2.5'-3'	Late Summer – Early Fall	Fuchsia Red

'Monarch Blue Knight'	Butterfly Bush	3.5-4'	Late Summer – Early Fall	Blue-Purple
'Monarch Dark Dynasty'	Butterfly Bush	3-3.5'	Late Spring – Early Fall	Royal Purple
'Monarch Prince Charming'	Butterfly Bush	3.5-4'	Summer - Fall	Bright Cerise Pink
<b>Calamintha</b> ○				
nepeta 'Marvelette Blue'	Calamint	10-12"	Early Summer – Early Fall	Light Blue Purple
Nepeta Glandulosa 'White Cloud'	Calamint	12-24"	Early Summer – Mid-Fall	White
<b>Campanula</b> ○ 🐘 🦋				
'Persicifolia'	Peach leaved Bell Flower	18-24"	Early – Mid-Summer	Violet-Blue
Carpatia "Rapido Blue"	Bellflower	5-7"	Late Spring – Late Summer	Violet Blue
<b>Catananche</b>				
Caerulea 'Armor Blue'	Cupid's Dart	18-24"	Mid-Summer - Fall	Violet Blue
<b>Centaurea</b>				
Montana	Hardy Cornflower	24"	Late Spring – Mid-Summer	Bright Blue
<b>Cerastium</b> ○ 🐘 🦋				
tomentosum	Snow in Summer	6"	Late Spring - Early Summer	White
<b>Ceratostigma</b> ○ 🐘 🦋 🐘				
plumbaginoides	Plumbago	8"	Late Summer – Mid-Fall	Brilliant Blue
<b>Chelone</b> ○ 🐘 🦋				
Glabra	Turtlehead	2-3'	Late Summer – Fall	White
<b>Convallaria</b> 🌸 🐘 🦋 🐘				
Majalis	Lily-of-the-Valley	6-12"	April	White
<b>Coreopsis</b> ○ 🐘 🦋				
Rosea 'American Dream'	Tickseed	18-24"	Early Summer – Early Fall	Bubblegum Pink
Grandiflora 'Baby Sun'	Tickseed	12-20"	Early-Summer – Early Fall	Yellow
Verticillata 'Lil Bang Daybreak'	Tickseed	8-12"	Mid-Summer – Med-Fall	Red & Yellow
verticillata 'Lil Bang Red Elf'	Tickseed	8-12"	Early Summer - Early Fall	Deep Burgundy
verticillata 'Lil Bang Starlight'	Tickseed	8-12"	Early Summer - Early Fall	White with Burgundy
verticillata 'Moonbeam'	Tickseed	12-18"	Summer	Lemon Yellow
Verticillata 'Zagreb'	Tickseed	15"	Early Summer - Early Fall	Golden Yellow
<b>Crocosmia</b> ○				
'Lucifer'	Crocosmia	35-47"	Mid-Summer – Early Fall	Red
<b>Delosperma</b> ○ 🐘				
'Fire Spinner'	Hardy Ice Plant	1-3"	Late Spring - Early Summer	Orange/Hot Pink/ White
'Jewel of Desert Peridot'	Ice Plant	4-6"	Mid-Spring – Mid-Fall	Sunny Yellow w/ White Center
'Jewel of Desert Ruby'	Ice Plant	4-6"	Mid-Spring – Mid-Fall	Rose-pink/ Yellow/ White
<b>Delphinium</b> ○ 🐘 🦋 🐘 🦋				
elatum 'Dasante Blue'	Larkspur	2.5-3'	Early - Mid-Summer	Electric Blue
Elatum 'Magic Fountains Mix'	Larkspur	30-36"	Early – Mid-Summer	Mix

grandiflora 'Diamond Blue'	Larkspur	14-16"	Early Summer - Early Fall	Electric Blue
grandiflora 'Summer Blues'	Dwarf Larkspur	10-12"	Summer	Sky Blue
grandiflora 'Summer Nights'	Larkspur	10-12"	Summer	Midnight Blue
<b>Dianthus</b> 				
American Pie 'Bumbleberry Pie'	Pinks	10-12"	Late Spring – Mid-Summer	Rose Pink/Vivid Pink
Barbatus 'Barbarini Purple Picotee'	Sweet William	6-10"	Late Spring – Late Summer	Magenta Purple/White
'Fruit Punch Cranberry Cocktail'	Garden Pinks	8-10"	Early Summer-Early Fall	Double Hot Pink
'Fruit Punch Classic Coral'	Pinks	8-10"	Early Summer-Early Fall	Double Coral Pink
'Fire Star'	Pinks	8"	Late Spring – Early Summer	Fire Red
'Neon Star'	Pinks	6-8"	Mid-Spring – Early Fall	Magenta Pink
'Scent First Passion'	Border Carnation	6-10"	Mid-Spring – Early Fall	Dbl. Cherry Red
'Superstar'	Pinks	6-8"	Mid-Spring - Early Fall	White/Hot Pink/Cherry
<b>Dicentra</b> 				
eximia	Wild Bleeding Heart	12-18"	Spring - Fall	Rose Pink
spectabilis	Old Fashioned Bleeding Heart	24-36"	Late Spring	Pink
spectabilis 'Alba'	Bleeding Heart	27-34"	Late Spring - Early Summer	White
spectabilis 'Valentine'	Bleeding Heart	30"	Late-Spring	Red/White
<b>Digitalis</b>				
purpurea 'Foxy'	Foxglove	29-35"	Late Spring - Mid-Summer	Cream/Pink/Rose
<b>Echinacea</b> 				
Artisan Soft Orange	Coneflower	16-20"	Mid-Summer – Early Fall	Orange
Dark Shadows 'Wicked'	Coneflower	12-16"	Mid-Summer – Fall	Watermelon Pink
purpurea 'Prairie Splendor'	Purple Coneflower	24"	Summer-Fall	Light to Golden Yellow
Lakota Fire	Coneflower	16-18"	Early Summer – Early Fall	Reddish Orange to Pinkish Red
'Sombrero Baja Burgundy'	Coneflower	18-20"	Mid-Summer - Early Fall	Rich Burgundy
'Sombrero Granada Gold'	Coneflower	18-22"	Early – Late Summer	Golden Yellow
'Sombrero Salsa Red'	Coneflower	24-26"	Early-Late Summer	Orange-Red
'Sombrero Summer Soltice'	Coneflower	18-20"	Early-Late Summer	Bright Yellow
'Sunseekers Rainbow'	Coneflower	12-18"	Early Summer-Early Fall	Raspberry Pink/Orange/Yellow
'Sunseekers Salmon'	Coneflower	12-24"	Early Summer-Early Fall	Salmon Pink
purpurea 'Pow Wow Wild Berry'	Coneflower	18-24"	Mid-Summer - Fall	Deep Rose
<b>Euphorbia</b> 				
martinii 'Ascot Rainbow'	Spurge	20"	Late Spring	Multi-Colored

## Ferns, Hardy

Athyrium filix-femina	Lady Fern	24-30"	Light Green lacy fronds
Athyrium 'Lady in Red'	Red Lady Fern	30-36"	Burgundy Stems w/ Light Green Leaves
Athyrium niponicum 'Pictum'	Japanese Painted Fern	12-18"	Deep Green, Gray-Green, Silver fronds with Burgundy stems
Dryopteris erythrosora 'Autumn Fern'	Autumn Fern	18-24"	New fronds are coppery
Dryopteris wallichiana 'Jurassic Gold'	Wood Fern	8-18"	Young Folds Golden Orange
Matteuccia struthiopteris	Ostrich Fern	3-4"	Medium Green

## Filipendula

Vulgaris/hexapetala	Meadow Sweet	24-36"	Early Summer	Creamy White
---------------------	--------------	--------	--------------	--------------

## Gaillardia

Aristata 'Amber Wheels'	Blanket Flower	24-30"	Early Summer – Early Fall	Clear Yellow/Amber Red
aristata 'Arizona Sun'	Blanket Flower	8-12"	Early Summer- Early Fall	Fiery Orange Red/ Yellow
grandiflora 'Goblin'	Blanket Flower	12-18"	Early Summer-Early Fall	Yellow/Red

## Gallium

odoratum	Sweet Woodruff	6-12"	Spring	White
----------	----------------	-------	--------	-------

## Gaura

lindheimeri 'Siskiyou Pink'	Wand Flower	18-24"	Early Summer-Mid-Fall	Deep Pink
-----------------------------	-------------	--------	-----------------------	-----------

## Gazania

Linearis 'Colorado Gold'	Hardy Gazania	6-8"	Late Spring – Mid-Fall	Gold
--------------------------	---------------	------	------------------------	------

## Geranium

Rozanne	Cranesbill	18-24"	Spring-Summer	Violet Blue
sanguinem 'Vision Violet'	Cranesbill	6-12"	Late Spring - Early Summer	Vivid Magenta

## Geum

Flora plena 'Blazing Sunset'	Avens	24"	Late Spring - Summer	Double Scarlet Red
------------------------------	-------	-----	----------------------	--------------------

## Grasses, Ornamental

<b>Calamagrostis</b> 'Karl Foerster'	Feather Reed Grass	4-5'	Mid-Summer	Cinnamon Blooms
Erianthus ravennae	Hardy Pampas Grass	10-14'	Early Fall – Winter	White/Tan
<b>Festuca glauca</b> 'Cool as Ice'	Blue Fescue	12-18"	Early - Mid-Summer	Ice Blue Foliage
<b>Festuca glauca</b> "Boulder Blue"	Blue Fescue	12"	Early - Mid-Summer	Foliage Silver Blue
<b>Hakonechloa macra</b> 'Aureola' 2009 Perennial of the Year	Japanese Forest Grass	14-16"	Late Summer – Early Fall	Gold/Dark Green Foliage
<b>Miscanthus sinensis</b> 'Bandwidth'	Maiden Grass	2-3'	Late Summer – Fall	Foliage Green w/Yellow Bands
<b>Miscanthus sinensis</b> 'Fire Dragon'	Maiden Grass	6-7'	Summer	Fall Foliage Intense Red-Orange w/ Silvery Plumes
<b>Miscanthus sinensis</b> 'Gracillimus'	Maiden Grass	6-7'	Fall	Green/Silver veined foliage Reddish Copper to White Plumes
<b>Miscanthus sinensis</b> 'Morning Light'	Maiden Grass	4-5'	Fall	Red Bronze Plums with thin White margin

<b>Panicum</b> virgatum 'Shenandoah'	Switch Grass	3'	Late Summer	Foliage turns red in the summer/ Has burgundy seed heads
<b>Pennisetum</b>				
<b>alopecuroides</b> 'Hameln'	Dwarf Fountain Grass	24"	Late Summer	Cream Plume
<b>Gypsophila</b> 				
paniculata 'Snowflake'	Baby's Breath	30-36"	Summer	Double White
<b>Hedra</b> Helix	English Ivy	20-80'	Fall	Green Foliage
<b>Helianthemum</b> nummularium	Sun Rose	6-12"	Late Spring – Early Summer	Yellow
<b>Helianthus</b> Salicifolius 'Autumn Gold'	Willowleaf Sunflower	23-25"	Early – Mid-Fall	Golden Yellow w/ Brown Eye
<b>Heliopsis</b>				
Helianthoides var. scabra 'Burning Hearts'	False Sunflower	30-36"	Mid-Summer – Mid-Fall	Golden Yellow/Fiery Red
<b>Helleborus</b>				
'Honeymoon Tropical Sunset'	Lenten Rose	18-24"	Early - Mid-Summer	Creamy yellow with burgundy red
'Wedding Party Confetti Cake'	Lenten Rose	18-24"	Early - Mid-Summer	White/Burgundy
'Wedding Party First Dance'	Lenten Rose	18-24"	Early - Mid-Summer	Bright Yellow w/ Maroon Edge
'Wedding Party True Love'	Lenten Rose	18-24"	Early – Mid-Spring	Rich Maroon Red
<b>Hemerocallis</b> 				
'Double Pardon Me'	Daylily	18"	Mid-Summer – Late Summer	Dbl. Deep Red
'Happy Returns'	Daylily	12-18"	Summer – Fall	Lemon Yellow
'Janice Brown'	Daylily	21"	Early – Mid-Summer	Vibrant Pink w/ Raspberry Pink Eye
'Moonlit Masquerade'	Daylily	18-23"	Early – Mid-Summer	Near White w/ Rich Purple Eye
'Purple D'Oro'	Daylily	18"	Summer	Reddish-Purple
'Ruby Stella'	Daylily	18"	Summer-Fall	Ruby Red with Yellow throat
'Stella D'Oro'	Daylily	12"	Summer	Yellow
'Stella in Red'	Daylily	14-18"	Summer	Ruby Red
<b>Heuchera</b> 				
villosa 'Carmel'	Coral Bells	12-18"	Mid-Summer	Apricot to Carmel Foliage/Pinkish- White blooms
'Fire Chief'	Coral Bells	9"	Late Spring - Summer	Wine Red foliage with Pink and White Flowers
'Forever Red'	Coral Bells	7"	Mid-Late Summer	Deep Red
'Georgia Peach'	Coral Bells	14-30"	Summer	Foliage Peachy pink to rose purple, blooms white
'Plum Pudding'	Coral Bells	8"	Early Summer	White Flower Plum Purple Foliage
'Primo Peachberry Ice'	Coral Bells	8-10"	Mid-Summer	Foliage Apricot-Orange/Silver Cream blooms
'Primo Wild Rose'	Coral Bells	8-10"	Mid-Summer	Foliage bright rosy purple, blooms burgundy-rose
'Timeless Berry'	Coral Bells	8-10"	Early Summer - Mid-Fall	Light pink to rose red
'Timeless Night'	Coral Bells	8-10"	Early – Late Summer	Medium Pink Blooms/Deep Black Foliage
sanquinea 'Firefly'	Coral Bells	8"	Late Spring	Scarlet Red
<b>Heucherella</b>				
'Pumpkin Spice'	Foamy Bells	8-10"	Late Spring	Cream Blooms/Bronze Red Foliage

<b>Hibiscus</b>				
'Summerific Berry Awesome'	Rose Mallow	4'	Mid-Late Summer	Lavender-Pink with Red Eye
'Blackberry Merlot'	Rose Mallow	4-4.5'	Mid-Summer – Early Fall	Deep Red
'Starry Starry Night'	Rose Mallow	3.5-4'	Mid-Summer – Early Fall	Blooms Pale Pink/Dark Pink near black foliage
Summerific 'Ballet Slippers'	Rose Mallow	4'	Mid-Summer – Early Fall	White w/ Red Eye
'Midnight Marvel'	Rose Mallow	4'	Mid-Summer – Early Fall	Foliage Wine Red/ Scarlet Red Blooms
<b>Hosta</b> 				
'Blue Angel'	Hosta	32"	Mid-Summer	Foliage powdery blue, bloom white
'Brim Cup'	Hosta	12-14"	Early - Mid-Summer	Foliage deep-green with white margin, bloom pale lavender
'Brother Stefan'	Hosta	20"	Late Spring – Early Summer	Bloom White / Foliage Green/Gold
'Cameo'	Hosta	4-6"	Early Summer	Foliage Green/Creamy White, Bloom Purple
'Cool as a Cucumber'	Hosta	28"	Early Summer	Bloom Light Lavender/Foliage Bright Green/White
'Dancing with Dragons'	Hosta	18"	Late Summer	Blooms Near White/Foliage Wavy Blue
'Fire & Ice'	Hosta	12-18"	Mid-Late Summer	Bloom Lavender/Foliage Dark Green/White
'Hans'	Hosta	20-24"	Mid-Summer	Bloom Pale Lavender/Foliage Blue-Green/White
'Liberty'	Hosta	26"	Summer	Bloom Lavender/Foliage Blue-Green/Creamy Yellow
'Loyalist'	Hosta	18"	Mid-Summer	Foliage deep-green with white center, bloom pale lavender

Chandler	Mid-Late Season, large, sweet	
Duke	Very early, medium sized fruit	
Elliott	Late season, medium light blue fruit	
Jersey	Late season, medium, very sweet, tall plants	
Legacy	Late season, medium-large, sweet, low acid fruit	
Patriot	Early, large sweet berries more adaptable to wet clay soil	
<b>Broccoli</b>		
Castle Dome	Uniform, medium green, heavy and deep domed heads	75 days
Packman	A compact, dense head with side shoots.	56 days
<b>Brussels Sprouts</b>		
Jade Cross E F-1	Improved variety. Larger sprouts set closer together and easy to remove.	90 days
<b>Cabbage</b>		
Early Flat Dutch	Form, nearly round large heads	75 days
Early Jersey Wakefield	Pointed, firm, 4 lb. heads.	64 days
Flat Dutch Late	Very large, flat heads.	100 days
Golden Acre	Tasty, green, round, 3lb heads, early.	63 days
Ruby Perfection F1	Round 7", deep red, 3-4 lb. heads	80 days
Stonehead	Grey-green, nearly round 5" heads weighing 2-2.5lbs. Very solid.	50 days
Tropic Giant	Huge 10-12lb flat head	80 days
<b>Cantaloupe</b>		
Ambrosia	Heavy net, salmon sweet flesh; 4lbs	86 days
<b>Cauliflower</b>		
Graffiti	Heads are deep purple when grown in full sun; 7" heads	90 days
Snow Crown	8" heads weigh approximately 2lbs and are pure white.	50 days
<b>Celery</b>		
Golden Self-Branching	Compact yellow, 7" stalks.	82 days 70 days
<b>Cucumber</b>		

Homemade Pickles	Bush type plant, 5-6" fruit	53 days
Marketmore 76	Slicing type, dark green. 9"	66 days
Spacemaster	Bush plant; slender dark green. 7-8"	60 days
Straight Eight	8" fruit, good slicer	58 days
Tasty Green Hybrid	Burpless, slim 10" x 2" dark green fruits	70 days
<b>Currants</b>		
Crandall (black)	Large disease resistant, fresh or desserts	
Red Lake (red)	Cold hardy, dark red fruit good for desserts	
White Imperial (White)	Rich flavor, early ripening, pink blush	
<b>Eggplant</b>		
Black Beauty	Purple-black egg-shaped fruit	80 days
Millionaire F1	12" long slender fruit, 2" in diameter	55 days
<b>Elderberry</b>		
Adams	Late ripening, hardy 6" clusters, high in vitamin C	
Bob Gordon	July ripening, huge cluster of ¼" berries	
Johns	Early ripening, large clusters of bead sized berries	
Ranch	Late August early September, ripening, shorter for easier harvesting	
<b>Garlic</b>	<b>Bulbs will be available in Spring and Fall</b>	
<b>Gooseberry</b>		
Black Velvet	Grape sized dark red fruit with sweet blueberry flavor	
Captivator	Less thorns, res tear drop shaped fruit with sweet mild taste	
Hinnonmaki Red	Large, ted sweet berries	
Pixwell	Medium, pink-red deep purple fruit, very hardy	
<b>Grapes</b>		
Concord	Seedless, Smaller than regular Concord but same flavor	
Concord Seeded	True grape flavor, late ripening, good for juice & jelly	
Himrod	White seedless, good eating quality	
Mars	Blue seedless, vigorous, sweet, blooms late	
Reliance (Red)	Seedless, very hardy, large clusters of medium sized fruit	
<b>Honeydew</b>		
Earli-Dew	2-3lb fruit with lime green flesh	75 days
<b>Horseradish</b>		
<b>Kale</b>		
Dwarf Blue Curled Scotch	Curly leaf variety. Cool weather improves taste. Harvest all fall.	55 days
<b>Kohlrabi</b>		
Kossak	Produces huge (up to 8#) bulbs that don't get woody	85 days
Purple Vienna	Purple skin, greenish white flesh	55-65 days
White Vienna	Mild creamy white flesh	55 days
Winner	Smooth, 18oz, light green bulbs	54 days
<b>Lettuce</b>		
Buttercrunch	Thick, juicy, crisp. More heat tolerant than most varieties	55 days
Iceberg	Good Solid head with medium size core. Tolerant to tip burn.	82 days
Romaine	Large thick leaves, 8-10" in diameter.	70 days
<b>Onion Plants</b>	<b>3" Pots with approx. 25 plants-</b> Produce big sweet tasty onions in late summer.	25 days
Candy	Yellow Globe up to 6" Stores about 3 months	90 days
Superstar	White Globe up to 4" Stores about 2 months	95 days
<b>Onion – Bare Root</b>	One bundle will plant 10' of double row with 4" spacing.	

Redwing	Red globe up to 3 1/2" Stores about 8-10 months.	100-120 days
Ringmaster White Spanish	White globe shaped, up to 5", stores 4 months	105 days
Walla Walla	Yellow semi-flat globe up to 6". Stores approx. 1 month	90 days
<b>Onion Sets</b>	Plant them in early spring for green onion harvest in May; or leave them in the ground for fall harvest. Varieties available- Yellow, White, and Red.	
<b>Peppers</b>	<b>See page 34</b>	
<b>Potatoes</b>		
Dark Red Norland	Smooth red skin and shallow eyes	
Goldrush Russet	Excellent for baking, boiling or frying	
Kennebec	Excellent large white baking potato for the Midwest. Matures mid-season	
Red Pontiac	Red early potato. Best for boiling or "new potatoes."	
Yukon Gold	Attractive, smooth, thin yellow skin, shallow eyes, yellow flesh, & uniform yields.	
<b>Pumpkins</b>		
Atlantic Giant	Giant pumpkins up to over 1000lbs.	120 days
Big Max	30-100 lbs. – popular for large jack-o-lanterns;	120 days
Connecticut Field	18lb, market seller, slightly flattened globe	120 days
Jack O' Lantern	Popular home garden standard, 8-10lbs	100 days

<b>Squash- Summer</b>		
Yellow Summer Crookneck	Bright yellow fruit, good yield	50 days
Sunburst	Scallop type, Deep yellow color, compact bush-type growth habit. 3" fruit.	50 days
Aristocrat	Zucchini type, 7-8" dark green cylindrical fruit on compact bushy plants.	53 days
Black Beauty	Zucchini type, Blackish green zucchini 6-8" fruit. Bush type plant.	45 days
Gold Rush	Zucchini type, Upright, open habit. Golden yellow, superior fruit.	52 days
<b>Squash- Winter</b>		
Table Ace	Acorn type – semi-Bush habit, 4-6" fruits	70 days
Spaghetti	Flesh turns to ribbons like spaghetti when cooked.	
Early Butternut Hybrid	Butternut type -Tan 11" fruit, high yield.	85 days
<b>Strawberries</b>		
<b>Junebearing</b>		
Allstar	Mid-season, perfect Strawberry shape, good disease resistance, very good for fresh use or processing	

Earliglow	So sweet no sugar needed, good for fresh eating, jams, and freezing. Earliest fruiting variety available	
Honeoye	Early, heavy yields of large consistent size fruits with firm skin and flesh that is red clear through	
Jewel	Late season large firm wedge-shaped fruit	
<b>Everbearing/Day Neutral</b>		
Seascape	Very large, hardy, heavy producing variety with firm fruit, good color, and flavor	
Tribute	Medium to large fruit, new crops approx every 6 weeks	
<b>Sweet Potatoes</b>		
Beauregard	Copper skin; moderately deep orange flesh; out yields all other Sweet potatoes; does not crack open; vine type.	
Georgia Jets	Heavy yielder; great for northern climates; rose petal skin; dark red meat; excellent baker; Vine type.	80-90 days
Vardeman	Has light orange skin and dark meat inside, no strings. Ideal for garden and small space. Bush Type.	
<b>Swiss Chard</b>		
Bright Lights	Flavorful, colored stems, dark green to bronze tender leaves.	42 days
<b>Tomatillo</b>	Husk tomato 'South of the Border' flavor	100 days
<b>Tomato</b>	<b>See Pages 35-36</b>	
<b>Watermelon</b>		
Crimson Sweet	Medium to Large blocky oval that grows to be 15-25lbs.	97 days
Yellow Doll	Yellow crisp flesh is unusually sweet, 5 – 8 lbs.	65 days

<b><u>Strawberry Care:</u></b>	<p>The biggest weed in many strawberry fields is the strawberry itself. Overcrowding of fruiting beds is a serious problem. It decreases berry size, increases disease problems, and makes picking more difficult. Plants should be no closer than 6" in any direction with 10'12" wide rows. Strawberries can be grown in most soil types; however, a good well drained loam soil will consistently produce a better crop. Select an area that will receive full sun most of the day. Avoid shaded areas and any place where water will stand after a rain as standing water can greatly increase the chances for disease. Do not grow strawberries for five or more consecutive years on the same site with some type of crop rotation. Do not plant strawberries in areas where tomatoes, potatoes, peppers or eggplant have been grown within the past 4 years. These vegetables carry the root rot fungus Verticillium, which also attacks strawberries. (Excerpt from Indiana Berry &amp; Plant Co. catalog.)</p>
--------------------------------	---

## Pepper Plants

Peppers absolutely demand warm weather, as they are more susceptible to cold weather damage than tomatoes. Never rush transplanting of seedlings to the garden. Be certain all danger of frost and cold weather has passed. Peppers thrive best in soils rich in organic matter, with adequate moisture. They should be grown in full sun, and caution should be exercised in the application of fertilizers containing nitrogen, as plants will tend to produce excess foliage rather than fruits.

Name	Description	Size	Maturity
<b>Sweet Types</b>			
Big Bertha	TMV resistant. Very large, crisp green fruit	7" x 4"	72 days
Big Green	Dark green, thick flesh	4" x 4 1/2"	75 days
California Wonder 300 TMR	Green to red bell	4" x 4"	75 days
Carmen Hybrid	Firm tapered fruits, sweeter than other varieties, matures green to red.	6" X 2.5"	60 days
Cherry	Smooth skin, thick meaty sweet flesh. Good in salads, canning & pickling.	2" round	78 days
Golden California Wonder	Lime green to golden yellow. Thick walls	5" x 4"	75 days
Orange Bell	Thick flesh, very sweet, matures to a bright orange	3.5" x 4"	75 days
Pimento L	Heart shaped fruits mature dark green to deep red	4.5" x 2.5"	80 days
Pretty N Sweet F1	Sweet snack pepper, Orange, Red, Yellow	1" x 2"	105 days
Purple Beauty	True purple bell pepper, blocky	4" x 3 1/2"	70 Days
Red Knight XR3 Hybrid	Big blocky bell. Perfect for stir-fry, stuffing, roasting, or grilling. Intense almost sugary flavor when left to mature red.	4.5" x 4.5"	66 days
Sweet Banana	Thick-walled fruit, pale green to yellow to red	6" x 1.5"	66 days
<b>Hot Types</b>			
Anaheim	Dark green to red, medium hot.	7x2"	77 days
Caribbean Red	Ultra-hot, 1" long, thin walled. Like Habanero, but red.	1" long	90 days
Carolina Reaper	Hotter than Trinidad Scorpion. Gnarly rumpled red with pointed tail. Over 1.6 million Scoville. <u>Use gloves and mask to clean seed.</u>		120 days
Cayenne Long Slim	Green to red wrinkled and thick-walled. Good for processing.	5" x .75"	72 days
Garden Salsa	Great for Mexican Salsa – very flavorful but not too hot, heavy yield.	8-9" x 1"	73 days
Ghost	Bhut Jolokia - One of the world's hottest peppers-about 1,000,000 Scoville units, ripens to red, 4" Pot	2-3"	100-120 days
Habanero	Green to golden Orange. Fiery hot 260,000 Scoville, Spicy	1-1.5" long	95 days
Hungarian Hot Wax	Tapered fruits maturing from light yellow to dark red. Spicy, fairly hot 2,000-4,000 Scoville	5.5" x 1.5"	70 days
Jalapeno	Deep Green to Red, thick walled, mildly hot. 3,500-6,000 Scoville		75 days
Poblano/Ancho	Large chili type great for stuffing. Called Poblano when fresh and Ancho when dried	5" x 2 1/2"	75-80 days
Serano del Sol Hybrid	Hot but not excessively so, Dark green to red.	3" x 1/2"	62 days
Super Chili	Abundant upright fruit. Semi-compact plants produce large yields.	2.5"	77 days
Tabasco	Used to make the famous Tabasco sauce, fruits grow straight out from branches. Light green to red 30,000-50,000 Scoville	1/2" – 1 1/2"	120 days
Trinidad Scorpion	Hotter than Ghost. Wrinkled, lantern-shaped fruit ripens to red orange. 2 million Scoville. *CAUTION* Use gloves & mask to clean!!	1.5" x 2.5"	95 days
<b>Asst. 4 packs</b>			
Blue Tag	Golden California Wonder, Purple Beauty, Orange Bell, Red Knight	Bell Combo	65–76 days
Yellow Tag	Pimento L, Carmen, California Wonder, Sweet Banana	Sweet Mix	60-78 days
White Tag	Anaheim, Cayenne Long Slim, Garden Salsa, Serano del Sol	Hot Mix	62-120 days
Orange Tag	Caribbean Red, Habanero, Super Chili, Tabasco	Very Hot Mix	75-95 days

# Tomato Plants

The “determinate” (D) or “bush” varieties are those that reach a certain plant height and then stop growing, with most fruit borne over a four- to six-week period. “Indeterminate” (I) varieties continue to grow and flower throughout the season but have less mature fruits at any one time. More recently “Indeterminate Short Internode” (ISI) varieties have been developed, which combine the controlled growth habit of a “determinate” with the unlimited production potential of an “indeterminate.”

Name	Description	Maturity	Staked
Abe Lincoln Improved	Delicious old timey flavor with the disease resistance of a hybrid. VFNASt	75 days	I
Amish Paste	Old Amish heirloom, 8oz. bright red roma style great for canning and sauces.	74 days	I
Beefmaster	Large, meaty 2lb fruit. VFN	80 days	I
Better Boy	Large 1lb – 1.5lb tomatoes. VFN	70 days	I
Big Beef	9-12oz fruit; very smooth, round, crack resistant, highly disease resistant, produces all season. VFFNTAST	73 days	I
Big Boy	Smooth, firm, thick-walled fruit, up to 1 pound or more	78 days	I
Brandywine	Old Amish heirloom variety with potato leaf foliage. Pink beefsteak type fruit is very large and has excellent flavor.	90 days	I
Carolina Gold	Fruits are large to extra-large and deeply oblate. Vigorous medium tall plants and should be staked. VFF	71days	D
Celebrity Hybrid	Medium sized fruit, crack resistant VFFNTAST	70 days	D
Cherokee Purple	Purplish pink 8-12 oz. fruit, round to oblate with excellent flavor and no cracking	80-90 days	I
Cupid	Grape type, ½ oz fruit are 1” long and sweet & juicy FAST LB	66 days	I
Early Girl	Extra early meaty Red 4-6 oz fruits, heavy yields VFF	57 days	I
German Johnson	Potato leaf plants bear large fruits, pink clear through. Unique low acid flavor and few seeds. Heirloom variety of regional interest	80 days	I
Golden Jubilee	Mild flavor; low acid. Good for juice, Golden orange fruits. A	72 days	I
Goliath Hybrid	VFFNTAST smooth, bright red deep oblate fruits; virtually blemish free exterior 10-15 oz. fruits	65 days	I
Health Kick	Red plum shape, saladette, vigorous determinate plants, high disease resistance. VFFA St. TSWVBS	72 days	D
Hillbilly	Heirloom variety, huge mild flavored beefsteak type 1-2 lb fruit are orange-yellow streaked in shades of red and pink.	85 days	I
Jellybean	Grape-like fruit, weighing less than 1 oz. each, named for their bite-sized sweetness and intense red color. VFFAST.	72 days	I
Jetsetter	Earlier and better disease resistance than Jet Star VFFNA St.	64 days	I
Jet Star	A prolific producer of big, globe shaped fruits that ripen all the way through, excellent flavor. Low acid, compact, VF	70 days	I
Juliet	AAS winner. Clusters of long 1oz. grape-shaped fruit with sweet flavor EB	60 days	I
LaRoma III Hybrid	Known for its vigor and uniformity. Bright red meaty fruits are large 5 to 8 oz. And full of flavor. Perfect for canning, pastas and sauces VFFNAST	76 days	D
Lemon Boy	Lemon yellow, globe-shaped; 6oz, very prolific. VFNASt	72 days	I
Marglobe	Globe Shaped fruits; sweet and thick walled VF	72 days	I
Moby Grape	Oblong 2”x1.5” fruit has a sweet, distinctive tomato flavor.	70 days	D
Mortgage Lifter	Heirloom variety, very large, meaty 2 lb. fruits with few seeds, also called Radiator Charlie	85 days	I
Mountain Fresh Plus Hybrid	3 ½” fruits weighing 10-12 oz. have uniform color and great flavor VFFN EB	79 days	D
Mr. Stripey	Red & Yellow striped heirloom type mild flavor, low acid.	80 days	I
Oxeheart Red	Heart shaped fruit up to 2 lbs. Few seeds	80 days	I
Park’s Whopper CR Improved Hybrid	Large red 4” fruits that are tasty, disease and crack resistant VFFNT	65 days	
Pink Girl	Crack resistant, low acid, 8 oz pink fruits VFAST	76 days	I
Ponderosa Pink	Heirloom variety, large 1 lb. beefsteak-type fruits, rosy Pink with low acid and almost no seeds	80 days	I
Roma	Red, plum shaped, very meaty, few seeds. VFA	76 days	D
Rutgers	Old time favorite for canning, ripens evenly from inside out	70 days	I
San Marzano	3 ½”x 1 ½” blocky fruit that are meaty and great for canning	80 days	I

Sausage	6" long banana pepper shaped fruits. Paste tomato ideal for ketchup or sauces	75 days	I
Sun Sugar Hybrid	½ oz. golden fruits; thin skinned; very sweet; 4 times the Vitamin A of the usual red tomato	62 days	I
Supersonic	Meaty, crack resistant 20oz fruit	75 days	I
Supersweet 100	Exceptionally sweet, prolific cherry tomato	64 days	I
Yellow Pear	1oz yellow pear-shaped fruit, few seeds	78 days	I

### **Assorted Pack Tomatoes**

Large Fruit	Beefmaster, Big Boy, Carolina Gold, Mortgage Lifter	YELLOW TAG
Disease Resistant	Abe Lincoln, Big Beef, Goliath, Jetsetter	ORANGE TAG
Heirloom	Brandywine, German Johnson, Hillbilly, Mr. Stripey	BLUE TAG
Canners	Amish Paste, Roma, Rutgers, Sausage	WHITE TAG

**TSWV – Tomato spotted Wilt Virus**

**BS – Bacterial Speck**

**EB – Early Blight**

**LB – Late Blight**

**YLCV – Yellow Leaf Curl Virus**

## **Tomato Transplanting & Culture Tips**

When transplanting hardened-off tomato plants to the garden, choose a cloudy, wind-free day, if possible, or plant in the late afternoon. Water plants thoroughly about one-half hour prior to planting, using a full- strength solution of water-soluble fertilizer. Plants should be set in deeper than they originally were in the containers. Since tomato plants root freely from any portion of the stems buried beneath the soil, they may be planted down to the first leaves. Even if some of your plants have become leggy, dig out furrows and lay in the plants, burying excessively tall stems. Partially fill the hole with soil to within about 3" of the surface and water in thoroughly, being careful to settle soil around roots, eliminating air pockets. Finish filling the hole with soil and firm soil around stem.

Keeping plants well-watered during the growing season, particularly during periods of drought, will help ensure better yields and help control problems such as blossom end-rot. Blossom end-rot is a blackening of the fruit on the blossom end due to a calcium deficiency often related to water uptake. Proper soil testing, lime applications and foliar treatment with calcium solutions like our "Yield Booster" will also help avoid this problem.

## Fruit Trees

(P)- Requires Pollinator (S)- Self Fertile

<b>Apple</b>		
Fuji	Mild sweet flavor, juicy crisp flesh	P
Gala	Early season, heavy Red striping on Gold skin, crisp dense flesh	P
Granny Smith	Tart, Crisp flesh, green skin	S
Honeycrisp	Early-Mid Season, Smears of Red over Yellow, Very Crisp Flesh	P
Jonagold	Golden Delicious & Jonathan Cross, Yellow w/ red blush, fresh eating & desserts	P
Red Delicious	Deep red skin; juicy white flesh is firm and crisp. Ripens late Sept-Mid October	P
Transparent	Greenish-Yellow with thin skin ripens early best for applesauce & desserts	P
<b>Apricot</b>		
Moorpark Freestone	Good for eating and canning	S
Sungold	Fruit is gold w/ orange blush, good for canning & drying	P
<b>Cherry</b>		
Bing	Dark Red sweet cherry, fresh eating and pies	P
Black Tartarian	Purplish-Black sweet cherry fresh eating and juice	P
Lapins	Dark red sweet cherry, fresh eating	S
Montmorency	Red tart cherry, used for pies and jams	S
North Star	Dark red tart cherry, naturally dwarf tree good for small spaces	S
Rainier	Yellow w/ red blush sweet cherry, fresh eating, pies and jams	P
Stella	Dark red sweet cherry fresh eating and baking	S
<b>Fruit Cocktail</b>	Peach, Plum, Nectarine & Apricot on same tree	S
<b>Nectarine</b>		
Flavortop	Freestone red-orange skin yellow flesh	S
<b>Peach</b>		
Contender	Freestone red skin, yellow flesh and very hardy	S
Elberta	Freestone red blushed yellow skin, large	S
Red Haven	Freestone mostly red skin, medium to large	S
<b>Pear</b>		
Anjou	Light green stores well	P
Bartlett	Mid-late season golden-yellow fruit blushed with brownish-red.	P
Bosc	Yellow skin, white flesh, juicy and large	P
Moonglow	Mid-season dull yellow fruit with pink blush. Good pollinator.	P
<b>Persimmon Native (American)</b>	Rich nutty flavor when fully ripe	P
<b>Plum</b>		
Santa Rosa	Reddish – Purple skin, red flesh	S
Stanley	Dark blue skin w/ greenish-yellow flesh	S
<b>Plumcot</b>		
Spring Satin	Cross between plum & apricot, red/black skin golden-red flesh	P

## Shrubs & Trees

Arborvitae Emerald Green, Green Giant, Hetz Midget, North Pole, Pyramidal
Azalea: Girard Crimson Red, Girard National Beauty, Karen Purple
Birch: River Heritage, Whitespire Clump
Boxwood: Green Mountain, Green Velvet, New Gen Independence
Buckthorn: Fine Line Improved
Burning Bush: Dwarf, Fireball
Cherry Flowering: Kwanzan, Weeping Pink, Weeping Snow Fountain
Cotoneaster: Cranberry, Tom Thumb
Crab Apple: Coral burst, Royal Raindrops
Deutzia: Cherry Blossom
Diervilla (Bush Honeysuckle) Kodiak Black
Dogwood: Cherokee Brave, Cherokee Princess, Ivory Silk
Elderberry: Black Lace
Elm: Valley Forge
Euonymous: Gold Splash
Falsecypress: King's Gold, Hinoki Compact, Mops, Soft Serve Gold
False Spirea: Mr. Mustard
Forsythia: Lynwood Gold, Northern Gold
Fothergilla: Mount Airy
Gum: Black Wildfire
Holly: Blue Prince & Princess
Horse Chestnut: Fort McNair
Hydrangea arborescences (Smooth Hydrangea) Incrediball,
Hydrangea petiolaris (Climbing)
Hydrangea macrophylla (Bigleaf Hydrangea) Bloomstruck, Let's Dance Blue Jangles
Hydrangea paniculata (Late Panicle Hydrangea) Bobo, Little Lime Punch,
Hydrangea quercifolia (Oakleaf Hydrangea) Ruby Slippers
Japanese Maple Laceleaf: Red Dragon, Tamukeyama
Japanese Maple Palmatum: Bloodgood
Juniperus: (Juniper) Grey Owl, Skyrocket, Wichita Blue
Lilac: Againcourt Beauty (Purple), Belle de Nancy (Pink), Bloomerang Dark Purple, Bloomerang Dwarf Purple, Common Purple, Common White, Dwarf Korean, Ivory Silk, Madame Lemoine (white), Sensation (Purple)
Magnolia: Ann, Butterflies, Jane, Royal Star
Maple Red: Red Sunset
Maple Sugar: Fall Fiesta, Green Mountain
Philadelphus (Mock Orange) Snowbelle
Physocarpus (Ninebark) Tiny Wine
Oak: Red
Pieris: Mountain Fire
Pine: Eastern White
